The Echoes Staff leaves behind this issue of the Pierceton High School yearbook with the hope that each student, underclassmen as well as senior, will find within its covers, many silhouettes to be cherished throughout the future years.

It is our realization that each person involved in our school--teachers, custodians, "Alice", cooks, and students--are all a part of the silhouettes that will cast shadows over our years to come. Our feelings of each person's importance could be said in no better way than by paraphrasing those of John Townsend Trowbridge:

.....It doesn't take
A man of great mould to make
A giant shadow on the wall;
And he who in our daily sight
Seems but a figure small,
Outlined in future's light
May stalk, a silhouette sublime,
Across the canvas of our time.

YOUR ECHOES OF 1963

Sincerely,

Lynn Coble

1963 "ECHO" DEDICATED TO MISS MAUD YONTZ

We proudly dedicate this annual to Miss Maud Yontz.

One who has come to know her realizes that she is a vivacious person and a wise counselor. One student said, "I didn't know that English could be interesting until Miss Yontz taught our class. I worked diligently, just for her." Others say things like these: "It's interesting to learn that she taught my parents," or "I always enjoy conversing with her, because she is very interesting and understanding. She makes one feel important."

Miss Yontz completed both grade and high school at Pierceton, beginning her teaching career in a one-room country school with just twelve weeks of training. She has taught every grade from one through twelve, and along with classroom work, has coached both the junior and senior plays. With the exception of one year, she has been senior sponsor since 1937 and from 1950 has established herself mainly with the library.

She enjoys traveling very much and this probably contributes to her ability as an interesting conversationalist. Any Library Club member could tell you about her delicious cooking which she enjoys doing. She also spends much of her leisure time reading.

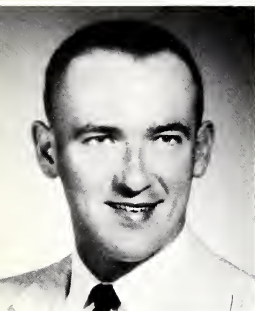

"I am now working on the second generation," she commented, "and like Mr. Chips, I find much joy in the fact that there are literally thousands of former pupils whom I think of as MY boys and girls."

Miss Yontz is gracious, charming, very capable, and sincere. The students of Pierceton High School will always remember her in just this way.

PRINCIPAL

MR. HOWARD STOUFFER

The distinguished silhouette of Mr. Stouffer creates a vivid picture for every Pierceton student.

He is present at almost every school function---the thrilling basketball games throughout the season, the musical programs, dances, assemblies, and the school days themselves. We know that he is interested in all of us. He is interested in the scholastic aptitude of the students as well as the extra-curricular activities.

Many times he is just a spectator, but every student realizes he is a VERY interested one.

The Junior Class started the year with the proverbial "junior hayride" to South Whitley and a show. Everyone had a wonderful time, including the sponsors. Ray Slusher was again named for the All-County Team. Sharon Pequignot was the school's Basketball Queen. John Rhoades, Vice-President of the class, was also chosen Vice-President of the Student Council. Marlane Stump, Jayne Tuttle, Diana Miner, and Anita English were installed as members of the National Honor Society. The junior's treasury was enlarged by the sales at the Junior Room and card and candy sales. "Gentlemen Prefer Blondes" was the play chosen by the class. Sharon Weaver, Becky Gebert, and Jayne Tuttle were again chosen by the student body to be varsity cheerleaders. This makes four years of cheerleading for Becky and Sharon and three for Jayne. All in all, the class had a very happy and successful year.

The sophomore class started its year out by selling magazine subscriptions. Chris Rood, the top seller, sold over one hundred dollars worth of magazines and received a plaque for his efforts. Those students who sold over twenty-five dollars worth of magazines attended the pizza party held in the school gymnasium. Sharon Smith, captain of the losing team was in charge of the party given for the winning team, headed by Brenda Leedy.

Sharon Smith represented the sophomores as their attendant to the Basketball Queen. The class was proud of Garth Cone, the only sophomore on the all county basketball team.

In the spring, three sophomores attended contests in Warsaw. These students were Brenda Leedy and Roy Ousley in geometry, and Kay Howell in Spanish.

Toward the end of the year, the class ordered their class rings, thus making themselves closer to the reality of upperclassmen.

The freshman class entered high school with a big disappointment by not having initiation, but started the year off with a party in the gym. Sharon Regenos, looking lovely in a dress of aqua chiffon, was freshman attendant to the basketball queen.

The freshman girls won the noon basketball tourney by defeating the juniors in a hard-fought battle. Mr. Sittler commented that it was a better game than some boys games he had seen.

The second class party for the freshmen was a roller skating party at Columbia City. The freshmen are looking forward to their sophomore year so they can sell manazines and order their class rings.

When students reach the seventh grade a big change takes place in their life. They have to adjust to many things, such as meeting new teachers, learning to get to class on time without having to run and push in the halls, requiring new and better study habits which will be very important in the upper grades, and getting acquainted with new classmates.

Several seventh grade girls brought honor to their class when Becky Bryant was chosen basketball queen attendant, and Cheryl Lenwell was elected junior high cheerleader. The seventh grade girls also won the pass and shoot tournament in the noon recreation program for girls.

For their first class party the class went roller skating. They went to see the movie SON OF FLUBBER for their second class party.

Silhouettes on the shades of Room 2, late Friday evenings, tell us that the annual staff is working madly to meet their April 1 and June 1 deadlines. The older members are showing younger "green" members what it takes to produce an annual. The editors get a vigorous workout each picture-taking day; but Mrs. Boley gets one every Friday after school. Lynn has proved her ability as an editor, and we'll miss Robin, Doug, and Jim. The Silhouettes of Ella Ree, subscription editor, and of Teresa, business manager, will set examples to those who follow them.

The silhouette of the gavel symbolizes the governing body of P. H. S. This year our president was Robin Stickney; vice-president, John Rhoades; and secretary, Tamra Menzie. The main attraction of the year was "Oriental Gardens", our prom. This annual event was offset with record hops and the spring car-wash.

NATIONAL HONOR SOCIETY

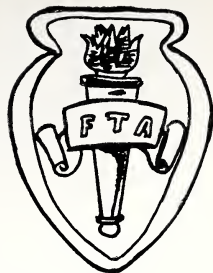

SITTING: D. Miner, J. Tuttle, M. Stump, A. English, and B. Leady. STANDING: Sponsor, Miss Poland; M. Smith, E. Cotton, R. Stickney, L. Coble, K. Howell, and Sponsor, Mr. Stoffer.

The seniors of Wabash chapter inducted the ten Pierceton students into the National Honor Society. It was explained that the society is based on character, scholastic, leadership, and service.

As Mr. Stouffer called the names of the students, they approached the stage where the register was signed, certificates and pens were received.

Afterwards a luncheon was served to both the Wabash and Pierceton members of the National Honor Society.

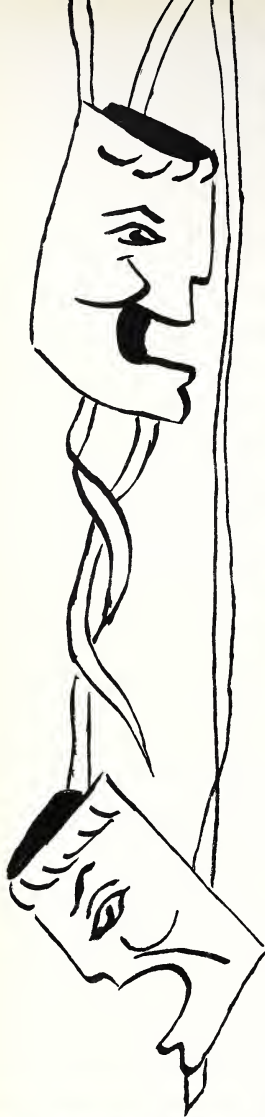

Thirty-four members from the ninth to the twelfth grade participated in the Florence Long Chapter of the Future Teachers of America Club during this year. Our activities were varied. The fall F.T.A. convention at Kendallville was attended by twelve members and our sponsor. At this meeting Marlane Stump was nominated for the office of state historian. Also this fall the Delta Kappa Gamma Professional Educational Sorority for Women Teachers entertained the F.T.A. chapters of Marshall and Kosciusko counties.

The busy year of 1962-63 was brought to a close by the Spring Banquet held in April.

The Future Homemakers of America will have many future silhouettes for their future years. Their project was the sale of cook books. The fun of formal and informal initiations, the Christmas party and the "come as you are party" will long be remembered.

The Future Farmers of America held its annual pest contest between seniors and freshmen versus the juniors and sophomores to see which side could eliminate the most harmful rodents, sparrows, crows, pigeons and foxes. Juniors and sophomores were the winners and were treated to a chili supper and recreation hour.

A record hop was held April 6th in the gym, and the club participated in the annual soil judging contest. Eddie Cotton, Homer Ousley, John Rhoades and Kerry Ringgenberg attended the district contest held at Albion, having placed second in the county contest.

Agriculture students at Pierceton High under the able direction of Dick Reed appreciate this club whose purpose is to build a better farming future for our country, and most farming dads agree with this concur, particularly when their boys bring the tractor into the shop for a new paint job.

JUNIOR PLAY CAST

The junior class, of Pierceton High School presented the play, "Gentlemen Prefer Blondes," Friday night, April 5, at 8 o'clock in the Pierceton auditorium.

The play was a light comedy about two young girls during the Roaring Twenties who find that touring Europe alone can prove difficult when they are inexperienced in matters other than romance.

Lorelei Lee was played by Jayne Tuttle; Mr. Lee, or Daddy, as he was called by his daughter, was played by Max Glumac. Dorothy Gilbert was played by Sharon Pequignot.

Aunt Dolly, played by Judy Mettler, complicated matters by trying to involve the girls in a movement for Women's Rights in Paris. However, it is the good-looking young men who appeal to the travelers, and there are quite a few in the play to take their eye--a ship's captain, played by Wayne Carlin; Bert, a tennis player, played by Mike Caudill; Sam, a would-be writer, played by Larry Stevens, and Henry Spoffard, a millionaire's son, played by Galen Lee.

This last young man was the one to whom Lorelei loses her heart, but there were complications in the form of his fluttery little mother, Carol Sue Wise, and her domineering companion, Miss Chapman, played by Carolyn Griffith.

Other roles were taken by Diane Miner, Beth Casner, Pat Lightfoot, Mary Lou Ellison, Roger England, Wanda Phillips, Paul Beery, Dee Haris, Becky Gebert, Mary Collier, and Donna Hanley.

The play was directed by Mrs. Robert Boley.

LIBRARY CLUB

The Library Club is a very industrious club in our school. They have been very busy during the past year stamping books, shelving books, taking care of magazines, fixing the bulletin board in the library, and even cleaning the library. Also the girls learned the Dewey Decimal System.

But it is not all work. In the fall the club enjoyed a picnic at the park. For Christmas the girls invited their mothers to accompany them to dinner at Foo & Faye's. At Valentine's Day the girls enjoyed the Spanish idea of breaking a Piñata and eating the goodies.

This club knows "many hands make light work" and also constitute to a lot of fun.

The band presented several concerts through-out the year with the first one being the fall concert held in November. For the winter concert, the band decided to try something new this year and gave a "Pops Concert". The audience was seated at decorated card tables which were arranged on the gym floor. They enjoyed listening to the music of the band while being served refreshments of pop and popcorn. The highlight of the evening was the crowning of the pop who had received the most money in a penny-a-vote contest.

The annual spring concert was held in May in the gymnasium. The gymnasium was decorated with colorful streamers of crepe paper. The girls wore formals and the boys wore suits which made a very attractive sight.

The band put on a half-time show at most of the home basketball games. Before two of the games, the band sponsored a chili supper. The band also sponsored a fish fry on Friday, March 15, to raise money to buy band jackets for the eighth graders of the band.

The band participated in the district band contest Saturday, March 30, at Columbia City.

The Pierceton High School basketball team enjoyed its most successful season since 1958. The Cubs piled up 18 wins by downing such powerful teams as Warsaw, Albion, Ashley, Churubusco, and Etna Green. The 5 losses were to Columbia City, Warsaw, Mentone twice, and South Whitley, all of whom were area powers. The highlights of the season were the winning of the Churubusco Holiday Tourney, and the team's ranking of 7th in the area. Personal honors won by the Cubs were the finish of Garth Cone as 3rd leading scorer in the county, the selections of Garth Cone and Raymond Slusher to the All-County Tourney team with Rick Kerr gaining honorable mention, and Rick Kerr selected to the All-Sectional Tourney team with Garth Cone, Ray Slusher, and Robin Stickney receiving honorable mention.

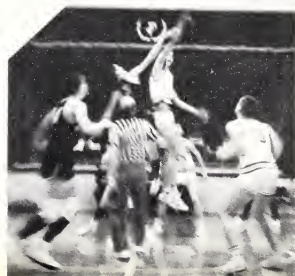

Although Coach Tom Sittler will lose Seniors Rick Kerr, Phil Conley, Robin Stickney and Jim Kilgore, who together tallied 703 points, he will have a fine group of seasoned performers returning for next year's campaign and should again produce a serious tournament contender.

CHEERING BLOCK

The Cheering block, organized by the varsity cheerleaders and sponsored by Bill Schuldr, performed at all of the home basketball games this year and the county and sectional tournaments. There were approximately 100 girls who belonged to the block. They wore red and white reversible blouses, white gloves and the girls on the front row wore black skirts. The girls used red wood blocks to clap with. The block had a pep-session every Friday when they practiced the yells and songs they knew. One of their favorite songs was "Hey We're from Pierceton" to the tune of "Hey Look Me Over".

The baseball team repeated as County Champs by completing its second consecutive undefeated season. Among the ten Cub victims were strong Syracuse, Etna Green, and North Webster teams. This season's record, coupled with last years 11 and 0 mark, gives the red and white a 21 game winning streak. The Cubs showed an abundance of the elements present in all winning ball teams; team work, experience, poise, fine coaching, desire, and individual effort. The effects of these qualities can be observed by examining a few of the records. During the season the team outscored its opponents 87 to 19, committed less than 2 errors per game, and stole 37 bases. The Cub pitchers allowed only 32 walks while striking out 90 batters.

The team will be hard hit by the graduation of spark plug, Doug Rood, team captain and batting champion; Robin Stickney, the team's standout catcher; Jim Kilgore, the Cub's top pitcher; and Phil Conley, the team's dependable first baseman. However, the fine group of underclassmen, led by veterans Raymond Slusher and Garth Cone, give every indication that Coach Gary Faudree's 1963 team will again be the team to beat.

The 1962 edition of Perceton's Cubs completed a very successful season by repeating as Kosciusko county champions, outrunning the field by a wide margin. Mike Miner, Garth Cone, Rick Kerr, Jim Flora, Doug Gregory, and Gale Danner all finished in the top 15 runners, placing 4th, 6th, 9th, 12th, 13th, and 15th, respectively. The fact that all but Kerr of this six are either freshmen or sophomores speaks well for future prospects.
